

Mylor and Flushing Community Publications CIC

AGM 20th April, 2020

Chairman's Report

Achievements

The Magazine is a case of steady as she goes. Melanie Franks continues to produce an excellent and well received magazine scooping up national awards as they are announced. The new software continues to serve us well.

The Website <http://www.mylorandflushing.org.uk>, is still underused. Melanie Franks has made some small changes and has been considering how to make it a more useful tool for everybody, the “go to” website for individuals and organisations in the parish. With that in mind she has called for ideas and vision from the community with a view to using a professional web designer to create the site we need.

Governance

As in every year, in accordance with our constitution, we carry out a rolling refreshment of board members. Last year our treasurer, Andy Goodman, retired being ably replaced by Michael Willmore. We are fortunate to have acquired the services of a professional bookkeeper, Nicola Euden. We are sad to see Jeff James, St Mylor parish priest and magazine secretary leave us to take a well earned retirement. He will be much missed for his selfless service to our community.

We will need to continue to recruit replacement board members.

Acknowledgements

Finally I would like to express our gratitude to all those who have given so much of themselves towards producing our award winning magazine – Melanie and her editorial team – the churches and businesses handling the hard copies – our contributors, readers and advertisers. They richly deserve the accolades.

Nicholas Trefusis (Chairman)

April 2020

P.S. Update

The above report was written before the arrival of Covid-19 and lockdown.

We are continuing to produce the magazine and, thanks to our three wonderful postmen are distributing as many copies as we can to the parish households. We realise that some advertisers will not wish to advertise while their businesses and activities are on hold, but we would be extremely grateful if as many of you who can, will continue to contribute to this valuable community initiative, so that we can afford to keep publishing.

Meanwhile we will try to put more frequent updates on the website and will value your contributions.
